

1 Introduction

Here is some text to introduce the theorems, definitions, corollaries, and lemmas.

2 Main Results

Theorem 2.1. *This is a theorem.*

Proof. This is the proof of the theorem. □

Definition 2.2. *This is a definition.*

Corollary 2.3. *This is a corollary.*

Lemma 2.4. *This is a lemma.*

3 Discussion

Some discussion about the results.
